Project Title \*

## Discussions

Give your project a descriptive title

Before submitting your portfolio, check it to make sure it meets the following criteria:

- . The portfolio includes a home page, Sample Work page, and About page. **(3 points)**
- . The home page includes at least one sentence about the owner of the page on the Home page. **(1 point)**
- . On the Sample Work page, the work sample includes a descriptive title. **(1 point)**
- . The portfolio's Sample Work page has a link to a completed *Design a social media post* activity work sample. **(1 point)**
- . The portfolio includes at least 3 sentences that include the owner's first name, desired position, and experience. **(3 points)**

To submit your portfolio, enter the URL below. You may also include an optional title or caption.

https://example.com

Your submission will be anonymous to fellow learners and your name will be visible to course instructors.
