Reflect on your learning journey

In this course, you learned about the many elements of e-commerce and selling products online. From understanding how Shopify works to learning about Google Ads for e-commerce, this course covered a lot of material!

Let's reflect on how far you've come. Share 5–10 sentences addressing the following questions:

- Are there concepts or portions of content that you would like to learn more about?
- Is there anything unexpected or surprising that you have learned?
- Would you like to work in a role that deals with e-commerce? Why or why not?

Then, visit the discussion forums to read what others shared. Choose two or more posts to comment on and help motivate your fellow learners through their learning journey.
